Where has place of birth for John, looks like they wrote "Boden" and crossed it out and wrote in Germany. For place of birth of Father, looks like they wrote in "Rhine Phalz(phaly)" then crossed it out and put in Germany. (Rheinland-Pfalz is German for Rhineland-Palatinate, a "State" in Germany.) They crossed out something for place of birth of mother may have been the same as father but can't tell.
